It s time that the body reassumed its rightful place of importance in Christian life, according to Carl and LaVonne Braaten in The Living Temple. In this sourcebook for a healthier way to live, the authors discuss the body, the foods we put into it, and how Christians are to regard it. Although often slighted in Christian tradition, the body was not regarded by Paul and the early Church as vile flesh to be transcended, but as a living metaphor of Christ and his people and as the dwelling-place of the Holy Spirit. Junk food and drink can ravage the temple. Among the many practical aspects of the Braatens discussion are: - What vital nutrients are currently being processed out of our foods and how they can be replaced - Natural medicine s to Christianity and the foods we eat - Common myths about American nutrition and why they just aren t true - The principal vitamins and minerals and the function of each in proper nutrition Select bibliographies for further reading and continuing discussion follow each chapter.
