Penguin Putnam Inc, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Kids always search for heroes, so we might as well have a say in it, Brad Meltzer realised, and so he envisioned this friendly, fun approach to biography for his own kids, and for yours. Each book tells the story of one of America's icons in an entertaining, conversational way that works well for the youngest nonfiction readers, those who aren't quite ready for the Who Was series. Each book focuses on a particular character trait that made that role model heroic. For example, Abraham Lincoln always spoke up about fairness, and thus he led the country to abolish slavery. This book follows him from childhood to the presidency, including the Civil War and his legendary Gettysburg Address. This engaging series is the perfect way to bring American history to life for young children, and to inspire them to strive and dream.
