

Apologetics Beyond Reason: Why Seeing Really Is Believing (Paperback)

By James W Sire

InterVarsity Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Look carefully. Listen closely. Do you see? Do you hear? There are a million signposts pointing toward the specific truth of God in Christ. I've seen many of them. But God is speaking to you too. Look and see. Listen and hear. In this accessible and engaging work, veteran apologist Jim Sire gives us eyes to see the myriad signals of transcendence all around us that point to the specific truth of God in Christ. Focusing on the power of good literature--even from those who deny the existence of God--enables us to perceive and testify to God's reality in ways that rational argument alone cannot. While reason can be very helpful in pointing us to God and helping us in our apologetics, what compels and convinces people is more multidimensional, says Sire. What is needed is a more holistic apologetic that not only includes truth but also goodness and beauty. All inspiration is rooted in God the Creator, and some of God's truth lies buried until an artist exposes it. Good literature, written from a Christian standpoint or not, displays multiple examples of...
