Kekhmet, the empire of the Two Lands, is a faded shadow of its former glory. Once the shining jewel of the world, the empire has been split apart by the invasion of foul Hesso marauders and the depredations of corrupt governors. The gods and goddesses of Kekhmet are all but silent, and the people struggle to find hope in their hardscrabble lives. RANGER OF MAYAT: When Tjety, an exiled Ranger of the goddess Mayat, discovers a ransacked fishing village along the lawless northern frontier, he marshals his training and divine hekau magic to hunt down the vicious cultists responsible for the attack. But can he find them before their prisoners are twisted into mindless slaves serving a ruthless necromancer bent on shattering the tenuous balance between order and chaos? FLIGHT TO THE FORT: Tjety, an exiled Ranger of Mayat, and Ruia, a young fisherman s daughter, team up to guide the survivors of a bandit attack through the dangerous and rugged Kekhmet frontier. Can they reach the safety of Fort Sekhmet before foul cultists and their horrible mummified creatures can capture them? HOUSE OF THE HEALER: After surviving a brutal cultist attack on her village, Ruia led the other survivors to the safety of Fort Sekhmet with the help of Tjety, a Ranger of Mayat. With Tjety s life now hanging in the balance, can Ruia gather enough help and learn to use her newfound hekau magic to heal Tjety before the forces of darkness close in and snuff out all hope?.
