Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Amacom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How many managers have time to plow through big books of leadership development? None! And they'll never need to with this slender book of 50 simple yet powerful ideas. The Little Book of Leadership Development goes straight to the heart of great leadership. Free of complicated theories, it focuses on what really works to get people motivated, working effectively, and acting as leaders themselves. The book delivers streamlined instructions on modeling behaviors, sharing information, building accountability, stretching teams, providing feedback, and 45 other practical strategies. Readers will be able to design a system of development tailored to their team and organization. Managers with the ability to self-reflect and a willingness to implement these positive, powerful ideas will see quick improvements in communication, efficiency, morale, and every other measure that points to a committed team of emerging leaders.
