Churches are waking up to the reality that almost half of their high school students struggle deeply with their faith in college. Offering special high school Senior Seminars or giving seniors a graduation Bible and hoping for the best are too little, too late. In response to this problem, the Fuller Youth Institute conducted a national study to answer the question: What can youth workers do to help students develop a lasting faith in God? By following high school seniors into their first three years of college to gain an understanding of the transition from high school to college, they found their answers. And Sticky Faith Curriculum for Teenagers enables youth leaders to impact to their students with a faith that sticks. This 10-session book and DVD study gives youth workers a theological and philosophical framework alongside real-world, road-tested programming ideas. The study is designed to help high school students develop a solid foundation that endures through the faith struggles they will face in college. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
