AUTHORHOUSE, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.About the Book Magical Journeys is a collection of short stories. Each story was written with morals in mind. Somewhere between fantasy and reality friendships meet challenges. They overcome obstacles and restore love and trust. Sharing, my lifelong dream with you is one of my greatest joys. I take the reader away, for a brief time, in a delightful way for all children ages 3 to 99. I am sure you will want to join my friends on their adventure. When Jack, Jig and Bangger started out on the wrong foot, a disturbing event brought them together to learn the true meaning of friendship. Cameron and Emma befriend a little troll found under a tree. They come to realize that you can look different on the outside and be a great person on the inside too. During his stay at Bunnies Bay, Peter Hawk Rabbit learnt a very good lesson. Flataline s journey takes her away from her only friends, to end up in the arms of a very special little boy. Together they find love. Finally, do you believe in dreams coming true? I BELIEVE! My dream came true in giving you Magical Journeys. I hope you find enjoyment in reading each story as I have had the pleasure in writing them for you.
