

## Cultural Kaizen: The Story of How Simple Concepts Can Transform an Organizations Culture, Engagement and Bottom-Line.

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 232 pages. Dimensions: 9.0in. x 5.9in. x 0.7in. Cultural Kaizen is a business novel that focuses on the lean transformation of a process manufacturing site and subsequent cultural impact of the transformation on the people who work there. The books introductory chapters focus on an operations managers personal struggle while working at a site that has a severely negative culture. The site is undergoing a fake lean transformation (Focused on the tools; not the business process). The first two chapters demonstrate the effects of a negative culture on an employee. The operations manager is offered a new position as the plant manager of a broken chemical plant. This is a large step for the new plant manager, but he agrees because he will do anything to get out of the negative cultural situation he is currently experiencing. The plant manager arrives on site and determines that a lean transformation is what the site needs to improve their performance. The plant manager uses his previous experiences as an example of What not to do. Above all else, he anchors the transformation with a respect for people. The respect for people was the keystone item missing in his previous role. The book continues to document the trials and tribulations of the plant leading up through the conclusion of their first kaizen event and ending with a gemba walk one year later. The major themes explored in the book are: A focus on the role of the front-line associate and a respect for their position The effects of a negative culture on team members vs. a positive culture The process of running a kaizen event, in a process manufacturing site, with a focus on the social and emotional effects...
