Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time and again, at recurring intervals of unequal length, the Church of Jesus Christ of Latter-day Saints is assailed with a rehash of the notorious Spaulding story, which from frequent repetition has become as familiar in the mouths of many of the Saints as household words. True, the story in its details is not always identical, it is altered, re-arranged, or cooked to suit the necessities of the story teller, but in its essential particulars it remains the same. Its burden is that a certain reverend gentleman of Conneaut, Ohio, named Solomon Spaulding, in the early part of the present century, wrote a historical romance which he entitled the Manuscript Found, that in some unexplained and unexplainable way, but generally imagined to have been through Sidney Rigdon, the youthful Joseph Smith obtained access to this manuscript and from its scanty pages elaborated the Book of Mormon, which he afterwards palmed upon the world as a divine revelation.
