Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wished that you had something with which to document your thoughts after an audition? Hate it when you can't quite pull up the needed information from a previous audition to use in a current audition at a moment's notice? I've been able to create a journal that you can use to document your thoughts, feelings and any criticisms that the director/casting and/or producers gave you. Lines were also created where you can write down things you did well, things you hated that you did and how you will implement your changes in the next audition. May the success you find be as equal as the joy I hope you have in using it. Brandon Person.
