Craig Cross, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.World War Snow tells the extraordinary story of how I defeated Santa s evil army of elves and pixies. To set the scene, Santa is planning to suck the blood out of every child on planet Earth. Don t ask me why, because I haven t got a clue (he s mad!). All that matters is this: he is foiled in this dastardly plot by the arrival of a charismatic superhero (ie. me), who is devastatingly handsome, brave and courageous (still me), kind, caring and humble (me, me, me), and a big fan of that 80 s band T Pau (also me -- but please don t tell anyone I said that). Alongside my trusty band of cohorts, which includes Robin Hood, King Arthur, Sir Dance-a-Lot, Merlin from Berlin, my sister, my 80-year-old nan, the two-timing adulterous cheat Uncle Ernie, plus some bloke called Adolf Hitler (no, not that one, another one), we manage to blow up Santa s sleigh and kill him -- thus saving Christmas. And what makes this extraordinary tale even more amazing, is that every single word of it is true! (Well, actually, that s not quite correct: I made the whole thing up.).
