INTRODUCING MEN TO CHRIST: FUNDAMENTAL STUDIES (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Introducing Men to Christ: Fundamental Studies There is a very great need to-day that men shall be brought to feel that religion is not a thing apart, that it is knit up with the ordinary processes of Our lives. We need to see that being religious is not having some vague, mystical experience, but living a life of real friendship. Perhaps as never before men are coming to realize that Christian life is not abnormal, but the most completely normal. In this life we use the same powers of personality which we use in our ordinary friendships, the sole difference being that in this God friendship we are associated with a perfect and full personality; while in all other friendships we are associated with incomplete and partial persons like our selves. This makes a difference in the intensity and meaning of our friendship, but no difference as to kind. Further, there is a need to quiet the minds of some who seem to think psychology is putting God out of the workings of the human soul. A few years ago, when evolution was in the enthusiastic flush of a new discovery, many of its advocates and still more of the Christian people thought it was destined to explain away God's working in the universe of physical nature. But we have long since ceased to feel that evolution is opposed to religion. It claims to be only a theory of the method of creation; and if it can and does reveal to us the method by which God works, we may well rejoice in this new light, which is essentially religious.
