

Almost Home: Finding a Place in the World from Kashmir to New York (Paperback)

Filesize: 4.48 MB

Reviews

Certainly, this is actually the very best job by any author. it was writtren very flawlessly and beneficial. I found out this publication from my dad and i recommended this ebook to discover.
(Magali Robel)

ALMOST HOME: FINDING A PLACE IN THE WORLD FROM KASHMIR TO NEW YORK (PAPERBACK)

Restless Books, 2016. Paperback. Condition: New. Language: English . Brand New Book. In essays that bespeak a thoroughly cosmopolitan sensibility, Githa Hariharan not only takes us on illuminating tours through cities rich in history, but gives a voice to urban people from all over the world--Kashmir, Palestine, Delhi--trying to live with basic human dignity under circumstances of dire repression or crushing poverty. --JM Coetzee What does a medieval city in South India have in common with Washington, D.C.? How do people in Kashmir envision the freedom they long for? To whom does Delhi, city of grand monuments and hidden slums, actually belong? And what makes a city, or any place, home? In ten intricately wrought essays, renowned author Githa Hariharan takes readers on an eye-opening journey across time and place, exploring the history, landscape, and people that have shaped the world's most fascinating and fraught cities. Inspired by Italo Calvino's playful and powerful writing about journeys and cities, Hariharan combines memory, cultural criticism, and history to sculpt fascinating, layered stories about the places around the world--from Delhi, Mumbai, and Kashmir to Palestine, Algeria, and eleventh-century Cordoba, from Tokyo to New York and Washington. In narrating the lives of these places vanquished and marginalized, she plumbs the depths of colonization and nation-building, poverty and war, the struggle for human rights, and the day-to-day business of survival. *Almost Home: Finding a Place in the World from Kashmir to New York* presents a new kind of travel writing that is intellectually adventurous but never detached, couched in personal experience but deeply engaged in the world, inviting the reader to make surprising connections with her own sense of home.
