It always feels like the type of thing you only see on TV, until it starts happening. You might try forcing yourself to think that you are watching a horror movie, only to realize that it is happening in your face. As it happens, there is one thing that stays in the back of the mind - how is this going to end? While there are others who have cheated death and told stories of moments like these, not everyone is so lucky. But, putting luck aside, knowing just how to act during the moment might be all you need to get out of such tragic situations alive. These might include road accidents, fires, floods, etc. There is no guarantee that the information in this book will save you. However, it is a fact that everything presented might increase your chances of survival. In this book, you will learn tips you can apply in different life-threatening situations. At the end, we will look at how you can prepare for disasters. So, read on.
