Grove Press / Atlantic Monthly Press, United States, 2007. Paperback. Condition: New. Dave Coverly (illustrator). Language: English . Brand New Book. Millions of parents of teenagers everywhere are desperate to know: how do I get my irrefutably average child a spot at a top college, one that will ensure him years of cocktail party one-upmanship, a respectable portion of debt, and lots of huge car-window decals? In this hilarious spoof on college-admissions guidebooks, Charles Monagan injects warmhearted humor into that American rite of passage: trying to get your lazy, not-as-smart-as-he-thinks-he-is, not-as-original-as-she-thinks-she-is teenagers into a fancy overpriced school with a big name so that they can eventually get a job and move out of your basement. From preconception strategies to the farce that is community service, Monagan s theories and suggestions are so outrageous they just might work. Monagan s unorthodox techniques and manufactured wisdom include gems like: --Marry your child s college counselor --Proactively name your child (Rockefeller? Elihu?) --Buying the SATs.
