MY FIRST ENCYCLOPEDIA OF THE RAINFOREST: A GREAT BIG BOOK OF AMAZING ANIMALS AND PLANTS (PAPERBACK)

Anness Publishing, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. The wildlife of the rainforest is amazing, and this first picture book is the perfect introduction for kids keen to discover more about it. In a supersized yet lightweight format, the book can be read on the floor, held up by a teacher or parent to show and share with a group, and enjoyed by all children, whether alone or with others. Thematic spreads introduce flora and fauna of all kinds, including many of the most popular and well-known creatures that children might recognize, as well as more unusual species to find out about. Beautiful illustrations by expert natural history artists are full of detail, and there's a bonus at the back of the book with a picture collection of even more animals and plants to discover!
