By Margaret Lake

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Companion Cookbook to A Slice of Life by Margaret Lake - Black and White Version This cookbook is not for the faint of heart. These recipes were passed down from grandmothers to mothers to daughters and sons. They are not guaranteed gluten-free, salt-free and definitely not fat free or even low fat. I can tell you having taste-tested the recipes myself (and made some adjustments from the original recipes given to me by friends and family), I found them all to be delicious. I don t eat spicy and other people had to taste test those recipes but that s me. You ll have to try them for yourself. Enjoy! NOTE: All of the mini-bios are fictional. Names, characters, businesses, places, events and incidents are either the products of the author s imagination or used in a fictitious manner. Any resemblance to actual persons, living or dead, or actual events is purely coincidental.
