Dog Ear Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Blessing of Sunshine traces one woman s journey virtually from childhood through adolescence and into adulthood. This true story touches upon diverse challenges of an abandoned infant that was adopted by a wonderful elderly couple. This couple had a very strict, stern religious belief. They also had raised a large group of children that had already left the nest. The empty nest put all the focus on Susan and the pressures of being the perfect Christian child. Susan Gore was born in the United Sates, where she has spent her entire life. She was abandoned by her birth mother and adopted by an elderly couple that had already raised eight children and had grandchildren. Per her Adoptive mother s wishes she married, graduated from high school, become a hair dresser, worked as a stylist for a few years, became a mother, and then changed careers to the business world. Still not fulfilled and after experiencing some unusual phenomena, she discovered the healing arts. In 2001 she attained a second degree certification in Reiki, the Usui System of Natural Healing. She began working with energy healing and experienced many healings of her own. Brought up in a strict protestant environment, later in life she discovered the Universe doesn t look at the names of religions or rules...
