By Caro Feely

Summersdale Publishers. Paperback. Book Condition: new. BRAND NEW, Grape Expectations: A Family's Vineyard Adventure in France, Caro Feely, 'Delicious.' I licked my lips. The wine filled me with joy. A picture of a vineyard drenched in sunlight formed in my mind. Sean drew me rudely back to the lounge of our semi-d. 'How can they be in liquidation if they make wine this good?' When Caro and Sean find the perfect ten-hectare vineyard in Saussignac, it seems their dreams of becoming wine-makers in the south of France are about to come true. But they arrive in France with their young family (a toddler and a newborn) to be faced with a dilapidated eighteenth-century farmhouse and an enterprise that may never, ever make them a living. Undeterred by mouse infestations, a leaking roof, treacherous hordes of insects, visits from the local farm 'police' and a nasty accident with an agricultural trimmer, Caro and Sean set about transforming their 'beyond eccentric' winery into a successful business as they embark on the biggest adventure of their lives - learning to make wine from the roots up.

### Reviews

*Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.*
