Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Wiley Rayne Professor of Biology/ Biology Sciences Dept. DNA and Genetic Research Cal State University Los Angeles, CA 90032 Dear Sir; I am writing you because I believe that you are the perfect individual to help me. I got your name and credentials from a colleague and feel your qualifications in DNA biology put you above the rest. I cannot stress that confidentiality is of the utmost importance. Your lack of immediate attention could have catastrophic results, indefinitely silencing undiscovered secrets of the deep that will change history and mankind forever. My name is Dr. Gunner Smith, I was recently contacted by NOAA to research mass aquatic beaching s along the coast of Washington, perhaps because I possess a Masters in Marine Biology from UCLA and in addition, have a doctrine in aquatic species communication. I, along with my colleague and friend, Dr. Jack Brody have recently discovered, and would like confirmation on an unusual new aquatic species. In addition to this, we have stumbled upon evidence that the government has continued military application sonar testing even though it had been previously banned in 2002 by the US Supreme Court. We have verification that there is an additional cadaver being held at a top secret military base in Louisiana; purpose yet unknown. These claims can be supported by a Captain Jordan Bamis PHD of the US Navy, currently working in the Naval Sciences Dept. in Washington. We have recently returned from a worldwide investigation that led us to many vast corners of the earth. We have witnessed carnage and evil of mass proportions. We have met some extraordinary people as well as some malevolent souls....
