

Robots Versus Slime Monsters: An A. Lee Martinez Collection (Paperback)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROBOTS VERSUS SLIME MONSTERS: AN A. LEE MARTINEZ COLLECTION (PAPERBACK)

Fire-Breathing Rat Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A. Lee Martinez delivers his first short story collection, featuring ten original tales based on his previous fantasy and science fiction novels. If you're a Martinez fan, this collection is surely something you've been waiting for. If you're simply Martinez curious (and who isn't?) this is a great sampling of strange worlds of fantasy featuring talking gorillas, sensible housekeeping kobolds, cosmic monster gods, and world-conquering space squids. These all-new, all-different tales are available for the first time. Within you'll find tales of werewolf versus bigfoot, ogre versus wizard, and rock alien versus romantic entanglement. You'll experience a terrifying descent into madness via pizza delivery and the existential angst of the gods of death. You'll discover why it's a bad idea to feed the pixies and why it's a good idea to always bring along a magical broom on your adventures. A collection eight years in the making (and worth every year), Robots versus Slime Monsters might not actually have any stories where a robot fights a slime monster, but it does feature a gorilla wrestling a lion. And in the end, isn't that almost as good?.
