Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

MARIA A TELENVELA FOR THE STAGE (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Winner of the 2014 Dharma Grace Award in playwriting and the University of California Santa Cruz Humanities Dean s Award. More than simply an adaptation of Euripedes Medea, this multi-media, transtemporal piece draws on a variety of literary and cultural works, from The Tempest, especially stagings that reverse the gender and race of the characters, to the Latin American telenovela and media imagery of the black body. The result is a striking experiment in linguistic and cultural translation. - Susan Gillman.
