

## Portals of Infinity: Book Four: The Sea of Grass

By John Van Stry

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. With no otherworld tasks to run for Fel, Will has spent the last year mainly helping Rachel consolidate her hold on her expanded kingdom. Barassa has been set back, for now, but Will knows it's only a matter of time until they're at odds once more and Barassa still has the bigger army. So taking the time to learn more about their enemy seems like a good place to start, and of course, Rachel has more things she expects him to do, even if he has no idea just how he's going to do them. Fel also has things for Will to do as well, even if they are the more mundane jobs that a Champion of the faith must perform. Escorting missionaries isn't the most exciting or glamorous job, but it's one Will must do. At least the people are different, interesting, and friendly, and some perhaps a little too friendly. But that's never gotten him in trouble before, right?.
