

## Foreign Agriculture Circular: Livestock and Meat; May, 1973 (Classic Reprint) (Paperback)

By U S Foreign Agricultural Service

FBC LTD, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Foreign Agriculture Circular: Livestock and Meat; May, 1973 Usda veterinary inspection export certificates of beef breeding cattle during 1972 totaled head. This represents a decrease of 24 percent from the head exported in 1971, and a 35 percent decrease from the total of head exported in 1970. Calendar 1972 is the third consecutive year that exports of us. Beef breeding cattle have declined in numbers. Nevertheless, Bureau of Census statistics show a substantial increase, in value to \$9 million, compared with the 1969 total of million. Canada continued to be the most important foreign market for us. Beef breeding cattle, taking head, a 26 percent decrease from the 1971 total of and a 51 percent decline from the 1970 total of head. Mexico again continued as the second most important market, taking head in 1972, 35 percent less than the head taken in 1971, and 1.1 percent below the head shipped in 1970. Costa Rica remained in third place with head which is 35 percent under the head purchased in 1971, but 146 percent more than the 1970 total of...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and i encouraged this pdf to find out.*

-- Justus Hettinger
