

## Outside Consciousness

By Matthew Haynes

Lulu.com, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Travel through a space where the mind meets new and old concept. It is grim in harsh reality and peaceful within a docile fantasy. All imagined thoughts as well as justified dreams are found here. Many unexplained phenomena can be found if one searches deep enough. Our logical, conscious self has been thoroughly conditioned. The paranormal and existential environment has been ruled fable. Science relies heavily on the physical realm as a superior notion. However, an ongoing case for these theories has been weakly supported. All such conceptual thought is hereby disputed within this book. Everything taught by society is condemned. Anything you may have learned will now be in question. Shortly you will see where reality blends with a false perception of knowledge. It is otherwise known as outside consciousness.
