Fitzcarraldo Editions, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Translated for the first time into English, cult German author Rainald Goetz's debut novel *Insane* draws upon his clinical psychiatric experience to paint a portrait of the asylum as a total institution. We follow a young psychiatrist, Dr Raspe, who enters the profession dreaming of revolutionising its practices. Confronted by day-to-day practices and the reality of life in the psychiatric hospital, Raspe begins to fray at the edges. The very concept of madness is called into question in a brutal portrayal of patients and psychiatrists and the various treatments administered, from psychotherapy to electroshock therapy. What is madness? And who is truly mad? Diving headlong into a terrifying and oppressive world, *INSANE* is a veritable journey into the madhouse by one of Germany's most prominent and contentious authors.
