Believe it or not, most people who attend church do not see any significant reason for knowing God. Much of this is due to their yearning to live for rational experiences. Into the Silence is dedicated to changing this passing familiarity into an intimate connection with God. The Bible goes far beyond rational experiences into a world of direct spiritual encounters. Into the Silence features How to distinguish between rational thinking and the voice of the spirit, How to expose the enemy when he comes as an angel of light, and How to understand that dreams can be significant messages for God.
