

## Mind and Reality (Classic Reprint) (Paperback)

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

*(Prof. Loyce Runolfsson Jr.)*

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Mind and Reality The mind-stuff hypothesis lands us in a dilemma. Either our elementary atoms are as dead as those of Democritus; and then the whole problem of the evolution and the physiology of mind is unsolved: or they have such mental life that out of them complex consciousness can be built up but then they are Monads, minds of more or less clear consciousness. And in that case, following the reasoning by which the mind-stuff theory itself was reached, we are led naturally to the hypothesis that every atom of matter is a little mind; not an intensive element of sensation, but a complex of many elements in a conscious unity of some sort, an apperceptive individual. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
