

## Developing Transferable Skills: Enhancing Your Research and Employment Potential (Paperback)

By Pam Denicolo, Julie Reeves

Sage Publications Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Succinct and supportive, this book provides doctoral and early career researchers with everything you need to know about developing marketable, transferrable skills-and how they can lead to getting that dream job. It illustrates exactly how and when your doctoral degree can be used to build your employability skills in both academic and professional contexts and sets out the basics of acquiring these key transferable skills. Featuring easy-to-implement advice on constructing specialist and generic professional attributes, it gives you the tools, confidence, and active self-awareness needed to handle career challenges and convince prospective employers of your experience. With coverage of project management, teamworking, communication, leadership and technical training, it is an essential guide for researchers who want to make the most of the skills you already have and to develop the skills you need. About the series The Success in Research series, from Cindy Becker and Pam Denicolo, provides short, authoritative and accessible guides on key areas of professional and research development. Avoiding jargon and cutting to the chase of what you really need to know, these practical and supportive books cover a range of areas...
