Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here s how you can quickly and easily get to learn all you want to know about Assertiveness without leaving your home! How much is a book on assertiveness worth to you? Imagine, you will be able to learn in all about Assertiveness without leaving your home. Life is not about getting your own way and winning every time. Or a series of quick-fix tricks or techniques to learn parrot fashion and then trot out in difficult situations. Nor is it a way to manipulate and control other people so that you get your own way whilst appearing to be considering others. You will be able to learn why it is important for people to learn how to be assertive, and in a way that allows them to say more directly what they really think, want or feel, without denying the thoughts, needs or feelings of others. The first is that, with this ability, people are much more likely to get more of what they want. The second is quite simply this: being assertive makes people feel good about themselves and their behaviour. It will enable you to learn and to understand the vital importance, between assertive, aggressive and passive behaviour Sounds too good to be true? Well, it isn t if you have the right training But instead of knocking yourself out trying to come up with just the right Information, you can now have it inside a new book called Assertiveness I know you re probably still sceptical and a bit on the conservative side, but think about this - if you keep doing the same things over and over again - you ll only succeed in getting the same...
