How Very Young Children Explore Writing: One in a Series of Books for Parents, Caregivers, and Teachers of Preschoolers and New Entrants

By Marie Clay

Heinemann Educational Books, United States, 2010. Paperback. Book Condition: New. 254 x 206 mm. Language: English . Brand New Book. Pathways to Early Literacy Series - Discoveries in Writing and Reading This book is one in a series of three written for parents, caregivers, early childhood teachers, and teachers of children in their first year at school. No set order is intended. Each book offers unique discussions and suggestions, and each is complete in itself. How Very Young Children Explore Writing introduces the reader to the fascinating writing attempts of preschool children. What Changes in Writing Can I See? introduces ways of keeping records of early writing. It describes how easy it is for parents and teachers to assess the changes taking place in children's writing by using everyday observations and by making more formal assessments. The Puzzling Code discusses how puzzling the written code is for young learners beginning formal reading instruction and offers instructional recommendations for supporting the child's complex learning.
