Reviews

This publication is fantastic. it was actually writtern very completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Joana Ziemann)

CRIME, JUSTICE, AND SOCIAL CONTROL

DOWNLOAD

Cognella Academic Publishing, United States, 2013. Paperback. Book Condition: New. 257 x 198 mm. Language: English . Brand New Book ***** Print on Demand *****.The anthology Crime, Justice, and Social Control explores formal and informal dimensions of social control and demonstrates that law and the criminal justice system are set within the wider context of social control. Combining theory with key policy issues and offering a wealth of current articles and research, the text addresses the challenges facing criminal justice practitioners, researchers, and elected officials. Part I outlines the origins and types of social control from a sociological perspective to prepare students for analyzing criminal justice and social control issues. Part II builds on these foundational theories by further exploring adjudication and sentencing, policing and investigations, correctional policies and issues, and juvenile justice. Each section raises key questions under discussion by academics, policy makers, and elected officials, and helps students understand the complexity and range of challenges faced by those involved in the criminal justice process. Students have the opportunity to reflect on alternative policy options and formulate personal views about social control. Topics include: Banning Deviant Behavior; Social Class and Crime; Wrongful Convictions; Racial Profiling; and Morality, Ethics, and the Death Penalty. The selections are written in an accessible style and deal with high interest topics such as the public response to youth wearing hoodies, school violence, and discipline. Christine Curtis undergraduate and graduate education is in sociology, with an emphasis in criminology. Professor Curtis teaches courses in Social Control and Research Methods for the School of Public Affairs Criminal Justice program at San Diego State University. She has been the principal investigator on numerous state and federally funded research projects related to law enforcement, courts, corrections, and juvenile justice. In addition, Professor Curtis served as the president of...
