Solid Ground Christian Books. Paperback. Condition: New. 100 pages. Dimensions: 7.8in. x 5.0in. x 0.3in. Through the nearly 450 years since his death, John Calvin has been portrayed by his critics - Protestant as well as Catholic - as a cold, ruthless fanatic. This distorted characterization, for the most part, remains today. What was this man really like An unfeeling, gloomy monster or a saint untouched by the common problems which beset lesser men The author examines Calvins personal correspondence and reveals him as a man capable of human mistakes and weaknesses, and yet, a deeply dedicated, sensitive individual undeserving of the years of vilification. This book, available here in English, for the first time in over 35 years, considers John Calvin from a personal standpoint. The excellent preface by Calvin-scholar John T. McNeill, carefully noted resources, brevity, readability, and human interest make this a biography for scholars and laymen alike. This little book is one of a kind. Written by a careful historian and Swiss pastor, it draws on Calvins correspondence and other records of the time to give a strong impression of what the reformer was like as a person, in his family life, in his close friendships, and in his sympathy and generosity as a pastor. - Rev. Sherman Isbell This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
