

Angular JS in Action (Paperback)

By Brian Ford, Lukas Ruebbelke

Manning Publications, United States, 2015. Paperback. Condition: New. Annotated ed. Language: English . Brand New Book. ã DESCRIPTION AngularJS is an innovative web framework from Google that extends the HTML vocabulary, allowing for the creation of dynamic, interactive web applications. Out of the box, Angular provides most of the functionality needed for basic apps, and because it s smart and intuitive, users can build more interesting apps. It s easy to customize and extend, and it s designed to be readable and testable. AngularJS in Action covers everything readers need to get started with the AngularJS framework. It explores all the individual components of the framework and teaches how to customize and extend them. It looks at emerging patterns for web application architecture and helps readers tackle required tasks like communicating with a web server back-end. Along the way, they ll see AngularJS in action by building real world applications with thoroughly-commented code. ã RETAIL SELLING POINTS Full explanations of AngularJS concepts Step-by-step guide to building common application features In-depth examples AUDIENCE This book assumes you know at least a little JavaScript. No prior exposure to AngularJS or other web frameworks is required. ABOUT THE TECHNOLOGY JavaScript has experienced a...
