

The Secret Life of a Snowflake: An Up-Close Look at the Art and Science of Snowflakes (Hardback)

By Kenneth Libbrecht

Voyageur Press Inc, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Before a snowflake melts on your tongue, it makes an epic journey. This is the beautiful, full-color story of that journey, step by step, from a single snowflake's creation in the clouds, through its fall to earth, to its brief and sparkling appearance on a child's mitten. Told by a scientist who knows snowflakes better than almost anyone, the story features his brilliant photographs of real snowflakes, snowflakes forming (in the author's lab), water evaporating, clouds developing, ice crystals, rain, dew, and frost--all the elements of the world and weather that add up, flake by flake, to the white landscape of winter. Aimed at readers from 6 to 12, The Secret Life of a Snowflake gets to the heart of one of nature's most magical phenomena while making the wonder of the snowflake all the more real.

Reviews

This sort of ebook is every little thing and got me to hunting in advance and a lot more. It is written in easy words rather than hard to understand. You won't sense monotony at whenever you want of your respective time (that's what catalogues are for concerning when you ask me).

-- **Dr. Fae Walsh**

This book could be really worth a read, and superior to other. It is written in simple terms and not confusing. You can expect to like how the blogger created this ebook.
