America Star Books, United States, 2006. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In Down-to-Earth Angels you won't read about super heroes flying to and fro; what you will discover is a fascinating collection of stories about many kinds of heroes and heroines from different walks of life, each reaching out to touch other's lives in such a way that would inspire even the most hard-hearted curmudgeon. Best of all, you will share in the blessings these earth angels have been able to give to their worlds, leaving them a little better than they found them. The French poet Alphonse de Lamartine wrote: To love for the sake of being loved is human, but to love for the sake of loving is angelic. Every book has a story. This one is unique in that its pages dance from one story to another with colorful, entertaining, remarkable stories about true-life earth angels who touch ordinary people in extraordinary ways, with each story glorifying God. I guarantee you a good read!.
