One moment you are up, every thing is as fine and can be, and next thing you know, it comes crashing right back down. In the blink of an eye, you can find yourself where you never thought you would be. It s these times that we all could use a pick me up. We could use some inspiration, some motivation, a simple word of encouragement. We need to be reminded about how good God is in spite of what we may be going through. We can use a reminder that God has the solution to each and every one of our problems. He will guide us each and every one of them through prayer and praise. So, I ask you, to walk with me through some of my experiences and see how God showed me, with his word (Bible), relief and comfort.
