Archway Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Out in the wilderness all around the world, animals look, sound, and act differently. For instance, there s one animal that hides in a shell. There s another that has a very long nose and another still that gets very, very excited about receiving mail. Animals even live in different places: in trees, in the sea, and maybe in your own backyard. I m a Little Different is a book of rhyming verse. Each page describes another animal, but it s up to you to figure out which one! Are you up to the challenge? Can you tell me which critter gets stinky when scared or which wild beast has a nose like a garden hose? Author Pearl Young uses the playfulness of poetry to teach children about rhyme and repetition but also about how it s okay to be different. Just like animals in nature, people come in different colors, shapes, and sizes, too. It s good to be different, because being different makes you special, just ask a zebra!.
