Brilliance Corporation, 2013. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Robert A. Caro's life of Lyndon Johnson continues one of the richest, most intensive and most revealing examinations ever undertaken of an American President. It is the magnum opus of a writer perfectly suited to his task: the Pulitzer Prize-winning biographer-historian, chronicler also of Robert Moses in *The Power Broker*, whose inspired research and profound understanding of the nature of ambition and the dynamics of power have made him a peerless explicator of political lives. *The Path to Power*, the first book of *The Years of Lyndon Johnson*, was greeted on its publication with a wave of acclaim, received the National Book Critics Circle Award and became a nationwide bestseller. The culminating drama the explosive heart of the audiobook is Caro's illumination, based on extraordinary detailed investigation, of one of the greatest political mysteries of the century. Having immersed himself for fourteen years in Johnson's life and world, tracking down hundreds of people...
