By Billy Hornsby

CREATION HOUSE, United States, 2006. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Too often people have the mentality that second place means second class. Pastor Billy Hornsby sets out to debunk that mentality by showing there are many benefits in being second in command. Hornsby explains that what makes the number-two position difficult is often caused by the environment we grow up in. For the most part, it is an egotistical world that only looks out for number one. He points out this is a dangerous mindset. Everyone is subordinate to someone--some board, some coach, some law, some other leader. To think that there is no hope of making a huge difference in this world from the number two position is to believe that only a lucky few will ever know significance. Hornsby outlines the difficulties of being second and provides an in-depth look at the key personal traits, leadership skills, and qualifications of those second in command. About the Author: Billy Hornsby is director of the Association of Related Churches (ARC) and Mission TIPS (Training Indigenous Pastors). The A.R.C. and Mission TIPS holds training seminars, plants cell churches, and provides oversight for these churches...
