Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Science-Gossip, Vol. 5: An Illustrated Monthly Record of Nature, Country-Lore and Applied Science; June, 1898 Although this useful work was written in America for Americans, it will be found very suggestive to persons on this side of the Atlantic. Gardening for luxury s sake, as practised in Europe, is only in its infancy on the western continent. We do not mean that in the neighbourhoods of large cities of the eastern states there have not been fine garden s for years past, but that generally, all over both the States and Canada, the art of beautifying the home plot has only latterly received attention. For such cases is this book written, and it will go far to make the home lovely in many a place where such things as ?owers have too frequently had but scant thought.
