Eivissa/ibiza

By Vv.Aa.

TRIANGLE POSTALS, 2016. Condition: Nuevo. A meeting point of cultures throughout the centuries, Phoenicians, Carthaginians, Romans, Arabs and Catalans found in the island a strategic spot for navigating the Mediterranean. Perhaps due to this multicultural secular coexistence, or for reasons that are beyond human understanding, or precisely because here it exists, Ibiza oozes absolute tolerance. Every person is just as they are and on Ibiza can be what they want. And all this is amid a natural gentle and rolling landscape with the sea everywhere, enabling one's spirit to rise to the heights of plenitude.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
