HarperCollins Publishers, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Jimmy Coates embarks on his fourth adventure in his ongoing mission to out-think / out-manoeuvre and outwit NJ7. If you think it s over, think again. Jimmy closed his eyes, searching for that power inside him. He had to forget that he was terrified - that was only the human part of him, the 38 per cent that was a normal, frightened boy. He willed the assassin to take him over. He knew that somewhere within him was enough strength, resilience and expert knowledge to survive this crisis. The cold and calculating Miss Bennett has had enough of Jimmy Coates. NJ7 s greatest invention has turned into it s greatest enemy, and it s time someone put an end to him. But Jimmy s next mission is to foil a secret plan - and who could be better at this than someone who officially doesn t exist!.
