

## The Case for Israel

Filesize: 5.62 MB

### **Reviews**

*The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.*  
(Prof. Alvis Wuckert)

## THE CASE FOR ISRAEL

[DOWNLOAD](#)

Wiley, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Eric Hoffer wrote in the '60s about the phenomenon of the assimilated Jew who would, to prove his worth to his betters, oppose the state of Israel and call it conscience. I applaud Professor Dershowitz for his consistent, principled, and reasoned defense of Israel, and, so, of the Jewish people." ?David Mamet "In a world in which Israel seems always to be the accused, regardless of the facts, Alan Dershowitz's defense offers an oasis of sanity and straight talk. It may be too much to hope that Israel's accusers will read this powerful and persuasive response to their charges. It is not at all too much to ask that fair-minded observers do so." ?Floyd Abrams "Alan Dershowitz's detailed and penetrating analysis of the issues that fuel the continuing war in Israel should be read by everyone interested in reaching a fair conclusion as to how that tragic conflict should be ended. Every charge leveled by Israel's opponents is dealt with lucidly and convincingly by one of the nation's brightest minds and most effective advocates." ?Mario M. Cuomo "This is a powerful and brilliantly argued book by a life- long champion of law, freedom, and human rights. Dershowitz faces down the Big Lies one by one and proves that Israel is not guilty of colonialism, apartheid, or "Nazism." Anyone who cares about Israel and about the truth will find this essential, even life-saving reading." ?Phyllis Chesler Ph.D, author of The New Anti-Semitism: The Current Crisis and What We Can Do About It "In this important book, as in many of his writings, Alan Dershowitz remains an ardent and courageous defender of Israel and what the law stands for." ?Elie Wiesel "The Case for Israel is a marvelous primer for supporters of that...
