Stick Raven, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fourteen-year-old millionaire Tony Pandy solves mysteries from the seat of his wheelchair. Not because he wants to, but because he has to. Losing his home if he doesn't. This time Tony has to find out why the Hindenburg disaster happened. Because it was a big ole bomb-bag, Tony said. See, solved. Now I don't have to miss lunch. Like you'd eat it, his health aide replied. Besides, maybe it's not that simple. And it's not. Tony will have to face a fear he didn't know that he had-and find out more about the mysterious trust that controls his fortune. Then there's the problem of having squatters on the estate, one of whom just might be the love of Tony's life. On top of that? She brought her boyfriend. As if the mystery wasn't trouble enough. Book 2 of The Tony Pandy Mysteries.
