DESIGN THINKING METHODOLOGY BOOK (PAPERBACK)

Emrah Yayici, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book explains design thinking methodology that is applied by high-performing enterprises, start-ups and organizations in developing innovative products; technologies; services; business models; marketing ideas; processes; spaces; and solutions for diverse business, social, and everyday challenges. It includes easily applicable design thinking techniques, such as HMW questions, personas, mind mapping, empathy mapping, affinity diagram, value-proposition canvas, storyboard, cause-and-effect diagram, brainstorming, brain dumps, reverse brainstorming, benchmarking, journey map, and prototyping. A real-life case study is used to introduce design thinking methodology and techniques in a more practical way to a broad range of practitioners, including project managers and IT specialists, innovation teams, marketing professionals and brand managers, product managers, designers, consultants, strategic planning experts, C-level executives, and architects. The book explains how artful thinking perspectives can be applied to enhance design thinking skills, such as creativity, thinking out of the box, empathy, visual thinking, observation, asking the right questions, and pattern recognition. It also describes how to apply design thinking and lean and agile methodologies together.
