Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

CAMP (PAPERBACK)

Plexus Publishing Ltd, United Kingdom, 1994. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Camp style, in behaviour, clothing, artistic output or emotions, has never been properly explored or defined. Jean Cocteau, as camp a figure as Paris has ever produced, said in *Vanity Fair* in 1922, I am a lie that tells the truth. This paradox is the basis of Philip Core s personal definitions of camp, seen from the inside. His savagely witty depictions of more than two centuries of camp find it embodied in personalities and places, objects and artefacts. He has written a *Who s Who* and a *What s What* of camp, a deceptively descriptive and factual lexicon, allowing the reader to build up a kaleidoscopic picture of camp through the ages. It is complemented with 150 rare and stunning photographs and a vivacious foreword by England s foremost authority on surrealism, eccentric behaviour and hats - jazz singer George Melly.
