Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Brown Hill, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There has never been a college sports scandal quite like the one at tiny St. Bonaventure University. The school s president was caught fixing grades on a basketball player after admitting him with only a welding certificate from a junior college. The university had once been a national power in college basketball, and a president with grand ideas for a return to the top corrupted his school s academics to reach that aim. He also made sure his son was an assistant basketball coach. In the end, the school s athletic director was the only hero, and the chairman of the university board of trustees committed suicide with his note saying he had failed St. Bonaventure. The Father.the Son.and the Sweet Sixteen is an inside look at the scandal and how it happened, and a cautionary tale about the venality of big time college athletics.
