

Interactive Biology for CSEC

By Linda Atwaroo-Ali

Macmillan Education, United Kingdom, 2009. CD-ROM. Book Condition: New. 190 x 134 mm. Language: N/A. Brand New. Macmillan's Interactive Science for CSEC[registered] CD-ROMs each contain 16 topics. Within each individual topic are: Animations; Multiple Choice exercises; True or False questions; Drag Drop activities; Comprehension Check; Word games - a crossword or word-search; and, Explanations to show why answers are correct or incorrect. The CD-ROMs feature a Markbook function which enables students to record their progress as they work through the various practise activities. All of the topics come with audio explanations and commentaries which have all been recorded in the Caribbean. Each CD-ROM has been specifically developed to aid students preparing for the CSEC examination in science subjects. The animations, games, audio and interactive practice exercises will provide students with engaging and stimulating resources to assist their studies in secondary science. The topics available on the CD-ROMs are those identified as the most challenging within the CSEC syllabi, and those which students need further practice and reinforcement to help their learning and retention of ideas and concepts. Within each topic students will find a variety of exercises, with over 350 combined Multiple Choice, True or False and Drag Drop...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
