When this unforgettable novel was first published in a much shorter form in a magazine in 1914, it was a rousing success and was made into a movie four times by 1941. Yet when Zane Grey submitted the full-length manuscript to his book publisher, it was rejected because it contained too much gunplay. And so a masterpiece of Western fiction remained unpublished in book form for more than 80 years. Finally, this powerful tale is available in its entirety. Buck Duane's father was a gunfighter who died by the gun and, in accepting a drunken bully's challenge, Duane himself was forced into the life of an outlaw. He roamed the dark trails of southwestern Texas, living in outlaw camps, until he met the one woman who could help him overcome his past: a girl named Jennie Lee.
